

International Building a Better World

October 23, 2007

To the Good People at Nelson White Systems;

Thank you for the great service we received from your company. Starting with Arthur Robinson in sales, through installation and then with service after installation everyone has been very responsive to our needs.

We purchased two Smart Boards and two NEC projectors from Nelson White Systems for our offices. Our staff loves using this equipment - even those who claim to be technology challenged find them easy to operate.

Thank you for your excellent customer service – it's greatly appreciated!

Sincerely,
